

The ACT Junior Chess League  
presents the

**2017 PRIMARY AND  
SECONDARY ALLEGRO –  
*a fun chess day even for first timers!***

Have you/are you playing in the Primary/Secondary School Chess Championships? Do you enjoy playing chess and representing your school? **The 2017 Primary and Secondary School Allegro is a fun chess tournament for all children currently attending primary/secondary school.** Playing conditions are the same as the primary/secondary school team championships (that is, games are played with clocks with each player having 15 mins to complete his/her moves) but children compete as individuals. So if you are planning on playing in the School Chess Team Championships, this Primary and Secondary Allegro will be great practice.

Awards are made to the first placed boy and first placed girl in each school year from kindy to year 12. The school with the highest level of participation receives chess books for the school library. This tournament caters to all standards of play. **All children who can confidently make all the basic moves of chess are encouraged to participate and every participant receives a ribbon!**
