

The ACT Junior Chess League &  
ACT Chess Association  
announce the  
**2018 ACT Primary Schools Chess  
Teams - Tuggeranong Zone**

The ACT Junior Chess League (ACTJCL) is running the

2018 ACT Primary Schools Chess Teams - Tuggeranong Zone

on

**Friday 29<sup>th</sup> June 2018 (9am to 3pm)**

at

**Trinity Christian School, McBryde Cres, Wanniasa ACT**

**NB This event is for schools in Tuggeranong**

**(If you are out of this area but have received this invitation please contact me and I can send you the information for your correct zone)**

This event is for any students from your school. This event is for individual players, with team results based on the best 4 scores of players from a school (NB Schools can have multiple team results, with scores from the next 4 players forming a second team score etc).

Students in years K to 6 attending schools in the areas listed above can enter. Please email entries to [shaunpress@gmail.com](mailto:shaunpress@gmail.com) with the name of your school and a list of player names. Initially each school can enter up to 16 players (four teams) but you can list extra players in case we have space. We're limited to a total of 128 players. Please have entries to me by Friday 22<sup>nd</sup> June if at all possible. The cost of entry is \$10 per student. Late entries may be accepted depending on numbers.

For further details see the ACTJCL Interschool documents ( <http://www.actjcl.org.au/actjcl/docs/ACTJCLInterschoolEntryPack.pdf> ). The event will consist of seven rounds with half-hour (allegro) games. No players are eliminated (Swiss-system) so every player plays seven games (unless we need byes).

If this is your first experience at sending teams to this event, please do not hesitate to contact me for further information. The aim is to get as many schools and children involved as possible and I am happy to assist you in any way I can.

While ACT Department of Education regulations require all teams to be supervised by a staff member, this responsibility can be shared between schools. So if supervision is a potential issue it may be possible to contact near by schools for assistance.

It's a fun day for all students with at least a basic knowledge of the moves of chess. Thanks in advance to Trinity Christian School for hosting this event.

Regards

Shaun Press
