FREQUENTLY ASKED QUESTIONS – <http://www.actjcl.org.au/astc2006/index.php>

We hope most questions are answered on the website. There is comprehensive information on the website about accommodation and the venue, as well as getting around while in Canberra. If you have any questions at all please contact **Libby Smith on (02) 6291 7625 or mandesmith@hotmail.com.au** Here are a few answers to questions already being asked –

Taxis to (or from) the airport and the venue should take about 10mins and cost less than \$20.

Supervision of players is the responsibility of parents, teachers & carers. Supervision by the organisers is limited to the playing hall. If there are special medical, behavioural or dietary requirements for your team please make us aware of them and we will do our best to monitor these issues but they remain primarily the responsibility of your team & carers.

Accommodation can be booked on either side of the event at the same discounted price.

Catering on Monday evening is for all in attendance but we **must have actual numbers** from you. Inexpensive lunch options will be available on-site each day and major shopping precincts with a range of supermarkets, restaurants & take-away are only minutes away. Details of the lunch options will be forwarded to teams in advance of the event.

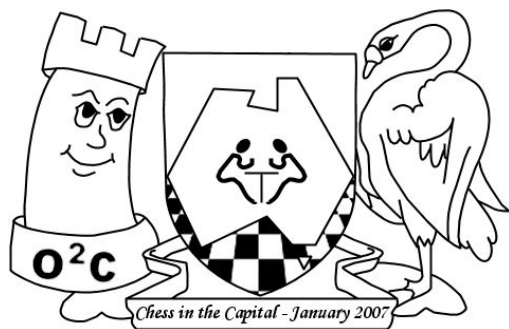

Playing Schedule is expected to be as advertised on the website although there is a possibility that a 6th round may be required in some sections of the event. If required an early dinner will be served on Monday to permit an early evening (4th) round on the first day. This will be confirmed once entries are received by 14 November.

Byes are not anticipated. Additional ACT teams are on “standby” and eager to fill a bye. We are endeavouring to ensure all divisions will play no fewer than 5 rounds so everyone has plenty of games.

Time controls are advertised on the website. Players must **record moves** in all divisions.

Arbiters are Shaun Press & Charles Zworestine.

Departures (& Presentations). We anticipate all players will be in a position to catch flights after 5pm. We anticipate play will be completed before 3pm. We aim for presentations to be completed before 4pm but cannot guarantee this. We suggest teams do not book flights earlier than 5pm but think it is highly likely that you can depart earlier than that (between 3.30pm-5pm) if you do not remain for presentations. *Of course we'd love to see everyone at the presentations!*
