2007 Australian Junior Problem-Solving Championship

Congratulations - you are part of the very first Australian Junior Problem-Solving event!

Thank you to the members of the Australian Problem Solving community particularly Nigel Nettheim, Geoff Foster, Peter Wong, Dennis Hale and Bob Meadley.

Thank you also to Brian Jones and Australian Chess Enterprises - sponsors of this exciting new section of the Championships!

Canberra - so much fun stuff to do!

The Pancake Parlour (in the heart of the City Bus Interchange!) (02) 62472982

The Pancake Parlour In Canberra has a chess "theme" from the chequerboard floor to the giant set in the restaurant you won't feel too far from the action when dining here! Chess sets can be borrowed from the counter, the restaurant has wireless internet access and that's all before we start talking about the yummy stuff to eat.

Open (very) early until (very) late, the Pancake Parlour is great for breakfast, lunch or dinner. Wednesday night is "sample night" with a chance to taste many of the delights from the menu.

Who can go past the Mexican Beef Crepes, Buckwheat Steak Mignon, yummy Potato & Cheese Pancake or just the good old Short Stack with loads of maple syrup? **Did I forget to mention dessert?** Jamaica Banana, Hot Buttered Walnuts, Strawberries, Boysenberries or the traditional lemon & sugar. Dare to wash it down with a giant Iced Chocolate? **Mmmm...**

Pizza voucher to redeem?
