The Open - Round 2

In Round 2 some of the titled players made even shorter work of their opponents, as Rogers was only marginally quicker in putting away Michael Wei than Zhao with Dizdarevic. They did both have the forces of light; with the forces of darkness Bluvshtein was slower, but eventually won an ending against Roger Farrell. Rujevic and Johansen were similarly successful as Black, while Goldenberg (White) again took much longer but won one of the last games to finish against Mos Ali. Only Antic really struggled, very lucky to escape after being a piece for two pawns down as Black against Jason Hu; Jason could have trapped the Black king in a mating net but misplayed it and let him escape, losing another pawn along the way and eventually the game. Vladimir Smirnov joined the titled players on 2/2 by making hard work of a won rook and pawn ending against Adrian Flitney (but eventually winning); he was joined there by Dusan Stojic (who beat Hamish Selnes) and Andrew Brown, who upset Gareth Oliver after the latter blundered his queen (trapped) with 6...Qxb2 (“never take the queen knight pawn with your queen...”).

2006-07 Australian Open Chess Tournament

The Minor - Rounds 2 & 3

Round 2 today was just as tough for the higher seeds, as this time seeds 3, 6 and 7 all lost, and seed 4 only drew! Third seed Eric Staak was a pawn down but in a locked rook and pawn ending against Valsalan Karayi; it should have been drawn, but Eric unaccountably moved his blockading rook and lost... James Li continued his good run by upsetting sixth seed Joshua Dalton, as did Allen Setiabudi against seventh seed Joe Marks. Fourth seed Avram Buciu drew a very drawn rook and pawn ending (equal pawns, symmetrical pawn structure) against Laurie Dalton. All this meant that of the top seven seeds, only fifth seed Edward Xing was on 2/2; he was joined there by Karayi, Li and Allen Setiabudi.

So to Round 3, and Allen Setiabudi was alone in the lead on 3/3 after winning an intriguing game against Edward Xing. As pawns were sacrificed first one side appeared to be ahead, then the other; Edward then sacrificed a piece for an attack, despite being left with just a queen and bishop; but Allen crossed him up by sacrificing the piece back to safeguard his king, then trapping Edward's king in a mating net with his queen and opposite coloured bishop and winning! In another fascinating game on Board 2, Valsalan Karayi took a perpetual check against James Li. Having earlier blundered a pawn, he won it back and then won another one, and was quite possibly winning when he got scared of his opponent's attack and took the draw. This left Karayi and Li in equal second on 2.5/3 with Mark Wicks, who beat Laurie Dalton.
