instinct and reason

The Open - Round 3

The titled players began to meet in Round 3, and Ian Rogers was the first of these to finish against Mirko Rujevic; despite being material ahead Ian's position was still very complicated, but sadly for Mirko he miscalculated and ended up in a lost position a piece down. Bluvstein had a longer game against Goldenberg, but ended up converting the advantage of the two bishops into an extra pawn and eventually a won queen and pawn ending. Johansen ground down Smirnov, while Zhao turned superior activity into a win in a queenless middlegame against Dusan Stojic. Antic had his most convincing win so far when he kept Andrew Brown passive and took advantage of his weak pawns. All of this leaves us with the mouth watering prospect of Zhao-Bluvstein and Rogers-Johansen in the new year; the tournament is really heating up...

Charles Zworestine

The Minor - Rounds 4 & 5

Allen Setiabudi maintained his lead and a 100% score by beating yet another higher rated player in Round 4; this time Valsalan Karayi, in an inferior ending with weak pawns, lost an exchange and the game. Mark Wicks, also on 100% after a first round half point bye, got to 3.5/4 after a much tougher struggle against James Li; a pawn ahead and winning positionally, he won the long way round in an

2006-07 Australian Open Chess Tournament

ending after missing a chance to win tactically with a Bxg6 combination. Two up and coming juniors, Samuel Dalton and Megan Setiabudi, played a very high quality game in the longest game of the event so far; in the end Sam (Black) won a minor piece ending after many vicissitudes by forcing the win of Megan's weak pawns. He was joined on 3/4 by Emma Guo, who also won an ending a pawn ahead against Joe Marks; Edward Xing (upset Eric Staak); and Joshua Dalton. In another long and intriguing game, Tony Baldwin defeated Mary Wilkie after his extra exchange survived Mary's attack with queen, rook and knight.

Perfection seemed possible for Allen Setiabudi after Round 5, where he made an extra pawn count in a difficult knight vs bishop ending to beat Mark Wicks. He was thereby guaranteed at least equal first; but Emma Guo and Samuel Dalton, both on 4/5, could still catch him. Samuel's extra exchange eventually converted itself into an extra rook and a crushing win against Edward Xing; while Emma's two rooks proved too powerful for Joshua Dalton's queen. Avram Buciu and James Li were on 3.5/5 after wins against Karayi and Baldwin respectively. The lone South Australian representative, poor Eric Staak suffered his third upset loss in four games when he was beaten by Brian Mengelkamp.
