instinct and reason

The Open - Round 5

In the first game to finish in Round 5, Zhao (White) accepted Ian Rogers' relatively early draw offer, leaving them still equal first on 4.5/5. A swag of players were hovering threateningly behind them on 4/5, led by Bluvshstein who made hard work of it, but eventually cashed in on the advantage of two pieces for a rook to inflict Antic's first loss. Darryl Johansen was also up there after beating Robert Hvistendahl, as were Dusan Stojic (after a quick win against Gary McNamara) and Junta Ikeda (after a much longer win against Michael Wei in an ending a pawn ahead with two bishops against bishop and knight). Malcolm Tredinnick missed a chance to join them when he drew a very frustrating game against Michael Morris: the exchange ahead as Black and with two connected passed pawns on d3 and e2, he could not break through his opponent's blockade! Douglas Stones scored an upset draw with IM Mirko Rujevic, while Vincent Suttor was on the superior end of his upset draw with FM Igor Goldenberg after he converted initiative into an extra pawn, but it was not enough to win in a drawn rook ending.

The Major - Round 2

Brian Thomas had an intriguing top board game with Malcolm Macmillan in Round 2: two pawns up but with doubled isolated b pawns, Brian lost both pawns into an even rook and pawn ending with five pawns each all on the same side of the board – and then proceeded to watch his opponent collapse his position and lose! He was joined on 2/2 by Yi Yuan, who beat Mos Ali after the latter blundered into a discovered attack losing his queen on move 12; and Sherab Guo-Yuthok, who won a tough Black game against Mark Stokes. Shaun Press drew a fascinating game with Oscar Hellmann: at one point

2006-07 Australian Open Chess Tournament

Shaun was a pawn ahead with his opponent's bishop buried, but his own pieces were tied up in knots by his Oscar's remaining two rooks and knight! Still a pawn up, Shaun managed to liquidate into a rook and bishop ending that should have been winning, but swapped off rooks prematurely and then could no longer win. David Webster's extra exchange was enough to upset Yita Choong, while Marc Vlietstra won another interesting game when his queen and two pawns took advantage of Tristrom Cooke's time pressure to beat his opponent's rook, bishop and four pawns.

The Seniors - Round 2

Amazingly, nobody was on 2/2 after Round 2; with four players equal first on 1.5/2, this looked like being a wide open event... Despite being rated only 1405, Joe Marks stunned Brian Jones by staying with him the whole game; in the end Brian lost all his pawns, and had to be content to draw with two rooks and bishop against two rooks, bishop and pawn. Gus Korda was the first game to finish against Tony Baldwin, winning by breaking through with an attack in an ending with a queen and two rooks each. Phil Viner was a pawn up in an ending, but had to work very hard before eventually winning a knight and pawn ending against David Lovejoy. Probably the most excitement so far occurred in the game Leon Kempen vs Karl Galli, where after many ups and downs Karl had a winning attack in mutual time pressure; sadly for him he missed a pretty win, gradually let his advantage slide and ended up losing due to a touch move error.

Charles Zworestine
