instinct and reason

The Open - Round 7

Some fascinating games saw an outright leader at last after Round 7 – but let me keep you in suspense for a while before you find out who it is! Two of our 4 GMs, Mark Bluvhstein and Darryl Johansen, both got to 5.5/7 with wins; Mark beat Mirko Rujevic by gradually taking more space, winning a pawn and winning nicely in the ending with his advanced central pawns, while Darryl cashed in on an extra exchange and a passed a-pawn to comprehensively beat Zhigen Lin. Meanwhile, three youngsters found themselves on 5/7 with wins: Michael Wei, who recovered from a lost but very complicated ending with passed pawns flying around all over the place to benefit from a Smirnov miscalculation; Dusan Stojic, whose amazing tripled isolated a-pawns and beautiful two bishops won a very nice game against Hilton Bennett; and Vincent Suttor, who ground down Junta Ikeda by winning a piece in the round's longest game. But of course, the top two boards were where all the action was; and it was Ian Rogers who faltered on top board at the hands of Dejan Antic, who refused Ian's draw offer and gradually cramped Ian more and more until his attack broke through. This left Zhao with a chance to grab the lead by a point, a chance he took in a game in which it looked like he was always better but he took seemingly ages before breaking through with a winning attack against Igor Goldenberg.

The Major - Round 4

Brian Thomas and Sherab Guo-Yuthok were still joint leaders on 3.5/4 after Round 4, where they both won their individual games to remain half a point clear of the field. Brian was a little quicker, winning his game against Oscar Hellmann by exploiting a big positional advantage and the d6 square; while Sherab won a nice game against David Webster by taking advantage of an extra pawn and his

2006-07 Australian Open Chess Tournament

opponent's weak pawns to force an easily winning king and pawn ending. Mos Ali scored the first of his two wins on the same day with the same colour (Black) against Marc Vlietstra (they also played in the Open), cashing in eventually on an extra piece after a long struggle. So he was on 3/4, joined there by Yi Yuan who won much material and the game against Douglas Stones by forcing a winning attack against his opponent's queenside castled king by a nice Rxb8+ removing the guard sacrifice. Top seed John Fedec was in a group of five players still in contention on 2.5/4 after he won the last game to finish against Malcolm McMillan by winning a king and pawn ending in his opponent's time pressure.

The Seniors - Round 4

We had an outright leader at last after five rounds, as Leon Kempen reached 4/5 with a win over Joe Marks. It was nontrivial; but after gradually building up to equality Leon induced his opponent to resign perhaps somewhat prematurely by forcing a dangerous passed h pawn and exposing Joe's king. This left him half a point clear of Brian Jones and David Lovejoy, who spent a huge amount of time on their opening and then agreed a draw (with Lovejoy as White perhaps slightly better) after only 13 moves due to a potential repetition of position! Phil Viner recovered from yesterday's disasters with a win over Gus Korda; after Gus being perhaps better due to Phil's exposed king, Viner managed to swap queens and then was grinding away in a rook ending when he won on time. Tony Baldwin, meanwhile, was happy to win a piece and force a winning endgame against the winless Karl Galli for his second point.
